A screenshot of a web editor interface. At the top, there's a header bar with a document icon, the text "Text Section #9", a pencil icon, and navigation icons (up, down, and a trash can). Below the header, there's a main editing area on the left and a "Preview" section on the right. The editing area contains a text input field with a vertical scrollbar on the right. The text inside the input field is: "Write your content here...", "# Heading 1", "## Heading 2", "\*\*Bold text\*\* and \*italic text\*", "- List item 1", "- List item 2", "`inline code`", and "``javascript``". The preview section is currently empty.

A screenshot of a text editor interface. The top bar shows a document icon, the text "Text Section #10", and a pencil icon. On the right, there are up and down arrow icons and a red trash can icon. The main area has a tab labeled "Text Section" and a "Preview" button with an eye icon. The preview area shows a document with the following content: 

**Bold text** and *italic text*

- List item 1
- List item 2

`inline code`

```
```javascript
// Code block
const hello = 'world';
```
```
